

EMAIL MARKETING ASSISTANCE

\$40 PER HOUR

Email Marketing is **not** dead! I am a strong believer that growing an email list is one of the most important parts of running a blog or online business. Your subscriber list is your rolodex of "clients" or "customers"... or "audience".

I work specifically with clients who run their email marketing campaigns, or newsletters through Mail Chimp or Mailer Lite.

EMAIL MARKETING ASSISTANCE INCLUDES:

- Newsletter Template Designs
- Landing Pages + Opt In Configurations
- Automations
- Funnels
- Formatting and scheduling recurring newsletters

Option to build a custom package for a monthly fee is also available. Price may vary depending on scope of work, hours, etc.
